

Farmers union ditch
March 10th meeting

Present: board members, Tom foster, Lloyd Akins, Sam Rosti, Dane Vaughn, ditch rider.
Jerry kiser,

Guest, Greg Bear representing spring view estates. 5 acre parcels 34.7 inches of water for 30 acres. They are requesting delivery to six ponds then up to the home owners to get their water under flood irrigation. They want to hire a water master for the hoa to manage the water. There is an issue of waste water and unused water. Sam Suggest the static system to resolve their water issues.

There would be no waste, it would get rid of pond. No, cant do flood irrigation on their acreage. Should be sprinkler. Needs a weir box. Will be back in touch.

Lloyd read minutes.

Sam moved the minutes be approved by Sam and second by Lloyd.
